# ABOUT PAPCO

For more than 55 years, Public Auto Parts Co. L.L.C. (PAPCO) has been one of the Middle East's most trusted automotive aftermarket distributors, supplying premium Japanese and Korean replacement parts to distributors, wholesalers, retailers and fleet businesses across the GCC, Middle East, Africa and CIS markets.

## BUILT ON TRUST & PARTNERSHIP

Headquartered in Dubai, United Arab Emirates, PAPCO has built its reputation on long-term partnerships with globally recognized manufacturers, reliable supply chain operations, and an unwavering commitment to product quality.

## GLOBAL SOURCING. LOCAL STRENGTH.

With sourcing operations across Japan, Korea, Taiwan, Malaysia and China, combined with an advanced logistics network through our Jebel Ali Free Zone distribution centre, we ensure consistent product availability, competitive lead times and dependable service for customers throughout the region.
